Basic Information

- Place of Origin: China
- Brand Name: zhonglei
- Model Number: zl6030si
- Minimum Order Quantity: 1000 rolls
- Supply Ability: 50000 Rolls per month

Product Specification

- Tear Resistant: Yes
- Hs Code: 40082100
- Flexible: Yes
- Material: Silicone
- Easy To Use: Yes
- Pressure Sensitive: Yes
- Highlight: Rackets Handle self fusing silicone tape,
25mm self fusing waterproof tape,
self fusing silicone tape 25MM

Product Description

Product Description:

One of the key benefits of this self-fusing silicone tape is its exceptional flexibility. This allows it to conform to irregular shapes and surfaces, ensuring a tight and secure wrap that stays in place. Additionally, the tape is designed to be non-tacky, making it easy to handle and apply without leaving behind any sticky residue.

The Self Bonding Silicone Tape is also highly durable and resistant to a range of environmental factors. It is waterproof, making it ideal for use in wet or damp conditions, and is also highly resistant to extreme temperatures, chemicals, and UV radiation. This makes it a versatile and reliable option for a wide range of applications, from automotive repair and plumbing to electrical work and outdoor activities. In addition to its excellent bonding properties, this Non-Tacky Silicone Tape is also designed to be easy to use and apply. It can be wrapped around objects or surfaces quickly and easily, without requiring any special tools or expertise. The pressure-sensitive adhesive ensures that the tape stays in place, even under high stress or vibration.

In summary, the Waterproof Silicone Wrapping Tape is a flexible, 1 inch wide tape with pressure-sensitive adhesive properties. Its self-bonding silicone construction allows it to conform to irregular shapes and surfaces, while its non-tacky design makes it easy to handle and apply. It is highly durable and resistant to a range of environmental factors, making it a versatile and reliable option for a wide range of applications.

Features:

Product Name: Self Fusing Silicone Tape

Feature: Heat-Resistant

No Adhesive Required: Yes

Adhesive Type: Self-fusing silicone

Insulating: Yes

Application: Damping Anti-slip for Rackets Handle

This Heat Resistant Silicone Tape is perfect for repair work. It is a Non-Tacky Silicone Tape that self seals, so no adhesive is required.

The Pressure Sensitive Adhesive Type makes it easy to apply and it is also Insulating.

Technical Parameters:

Insulating	Yes
Application	For Repair Work
Material	Silicone
Adhesive	Rubber
Pressure Sensitive	Yes
Hs Code	40082100
Color	Grey
Easy To Use	Yes
Feature	Heat-Resistant
Heat Resistant Silicone Tape	Yes
Insulating Self Fusing Tape	Yes
Non-Tacky Silicone Tape	Yes

Applications:

Made with high-quality silicone material, this tape is tear-resistant and incredibly durable, making it perfect for a wide variety of applications. Its 1-inch width and flexible nature make it easy to use, allowing you to wrap it around almost anything with ease.

One of the best things about this tape is that it is self-fusing, meaning that once it is applied, it forms a permanent bond that can withstand even the toughest conditions. This makes it ideal for use in a wide variety of scenarios, including:

Emergency Repairs: Whether you need to fix a leaky pipe or a broken hose, this tape is perfect for emergency repairs. Its stretchable and waterproof properties make it perfect for fixing leaks and preventing further damage.

Automotive Repairs: From fixing broken tail lights to patching up hoses and cables, this tape is perfect for automotive repairs. Its ability to withstand extreme temperatures and harsh conditions makes it the ideal choice for any automotive repair job.

Household Repairs: Whether you need to fix a broken chair leg or patch up a leaky roof, this tape is perfect for household repairs. Its easy-to-use nature and strong adhesive make it the perfect choice for any DIY project around the house.

Damping Anti-slip for Rackets Handle

Overall, if you're looking for a high-quality, stretchable silicone repair tape that can be used in a wide variety of scenarios, then look no further than the zhonglei Self Fusing Silicone Tape. With its waterproof properties, tear-resistant material, and easy-to-use design, this tape is the perfect choice for any repair job.
