Product Description

Product Description:

Our Self Fusing Silicone Tape is designed to be easy to use, making it perfect for anyone who wants to repair things quickly and efficiently. The tape is pressure-sensitive, which means that it will stick to any surface quickly and easily, providing a strong and secure bond.

The Self Bonding Silicone Tape is 1 inch wide, making it perfect for a wide range of applications. Whether you need to repair a leaky pipe or a broken hose, this tape will provide the perfect solution to your problem.

One of the key features of our Self Fusing Silicone Tape is that it is heat-resistant, making it perfect for use in a wide range of environments. Whether you need to repair something in your home or in your car, this tape will provide a reliable and long-lasting solution.

So if you're looking for a reliable and easy-to-use Self Bonding Silicone Tape for all your repair work needs, look no further than our Stretchable Silicone Repair Tape. With its durable and long-lasting design, this tape will provide a strong and secure bond that will stand the test of time.

Features:

Product Name: Self Fusing Silicone Tape

Insulating: Yes

Flexible: Yes

Tear Resistant: Yes

No Adhesive Required: Yes

This Heat Resistant Silicone Tape is an excellent Self Adhesive Silicone Tape and Self Sealing Silicone Tape for a variety of applications.

Technical Parameters:

| Technical Parameter | Value |
|---------------------|-------------------------------|
| Product Name | Self Fusing Silicone Tape |
| Pressure Sensitive | Yes |
| HS Code | 40082100 |
| Adhesive Type | Self-fusing silicone tape |
| Feature | Heat-Resistant |
| Easy To Use | Yes |
| Flexible | Yes |
| Width | 1 Inch |
| Insulating | Yes |
| Classification | Inorganic Insulation Material |
| Application | For Repair Work and Marks |

Applications:

The Self Adhesive Silicone Tape is ideal for a wide range of applications, making it a versatile and multifunctional product. It is perfect for use in the automotive industry for repairing leaky hoses, electrical wire insulation, and sealing air ducts. This Insulating Self Fusing Tape is also suitable for plumbing repairs, such as fixing leaking pipes, sealing joints, and preventing corrosion.

The Self Adhesive Silicone Tape is also an excellent choice for outdoor activities and sports. It can be used to repair camping gear, such as tents, sleeping bags, and backpacks. It is also perfect for sealing fishing gear and repairing boats. This No-Residue Self Fusing Tape is waterproof and weather-resistant, making it an ideal product for all kinds of outdoor adventures.

Furthermore, the Self Adhesive Silicone Tape is perfect for use in the electronic industry. It can be used to insulate and protect wires, cables, and other electronic components. It is also suitable for repairing electronic gadgets such as smartphones, laptops, and tablets. This Insulating Self Fusing Tape is perfect for DIY enthusiasts, hobbyists, and professionals who need a reliable and easy-to-use product for their projects.

The Self Adhesive Silicone Tape is easy to use and requires no special tools or equipment. It is available in a 1-inch width and can be easily cut to the desired length with scissors or a knife. This product conforms to the Hs Code 40082100 and is made in China, ensuring its quality and durability.

In conclusion, the Self Adhesive Silicone Tape by zhonglei is a versatile and reliable product that is perfect for a wide range of applications. Whether you need to repair, seal, or insulate, this No-Residue Self Fusing Tape is the perfect solution. Get yours today and experience the convenience and reliability of this high-quality product!

Customization:

Support and Services:

The Self Fusing Silicone Tape product comes with technical support and services to ensure proper usage and handling. Our technical support team is available to answer any questions and provide guidance on the best practices for using the product. Additionally, we offer services such as product training and consultation to help customers optimize the performance of the tape. Our team is dedicated to providing excellent customer service and ensuring customer satisfaction with the product.
