- Easy To Use: Yes
- Elongation At Break: 450%
- Material: Silicone
- Highlight: **Self Fusing Pipe Repair Tape Waterproof ,
UV Resistant Self Fusing Pipe Repair Tape ,
Black Waterproof Pipe Repair Tape**

Product Description:

With a length of 10 feet, this Self-bonding Pipe Repair Tape provides ample coverage for most pipe repair jobs. The tape is black in color, which helps it blend in with the surrounding environment. This makes it ideal for use in visible areas where appearance is important. The Self-fusing Plumbing Tape has a shelf life of 5 years, which means it can be stored for an extended period of time without losing its effectiveness. This makes it a great addition to any emergency kit or toolset. The Self-amalgamating Pipe Fixing Tape can be used in temperatures as low as -60°C, making it suitable for use in cold environments. The tape also has a high tensile strength of 82 KPa, which allows it to withstand high levels of stress and pressure. Overall, the Self-bonding Pipe Repair Tape is a versatile and reliable product that can be used to fix leaking pipes quickly and easily. Its self-bonding design, durable silicone rubber construction, and resistance to extreme temperatures make it an ideal choice for anyone in need of a reliable pipe repair solution.

Features:

Product Name: Self Fusing Pipe Repair Tape

Easy To Use: Yes

Tensile Strength (Metric): 82 KPa

Versatile: Yes

Shelf Life: 5 Year

Self Fusing: Yes

This Self Fusing Pipe Repair Tape is a self-sealing pipe leak tape, self-amalgamating pipe fixing tape, and self-bonding pipe repair tape all in one. It is easy to use and has a versatile application. With a tensile strength of 82 KPa, this tape can withstand high pressure and temperature. It has a shelf life of 5 years and is self-fusing, making it a reliable solution for all your pipe repair needs.

Technical Parameters:

Product Name	Self-Fusing Plumbing Tape
Material	Silicone
Product Color	Gray, Sky Blue
Maximum Operating Temperature (Fahrenheit)	356 °F
Minimum Operating Temperature (Celsius)	-60°C
Elongation at Break	450%
Chemical Resistant	Yes
UV Resistant	Yes
Self-Sticking	Yes
Non-Adhesive	Yes

Applications:

This Self-mending Pipe Bandage is an easy-to-use solution that requires no adhesive or special tools to apply. Its self-sticking feature makes it simple to wrap around pipes of any shape or size, creating a tight, secure seal that prevents leaks and damage.

This Self-amalgamating Pipe Fixing Tape is ideal for a variety of applications, including plumbing repairs, automotive repairs, and emergency repairs of all kinds. Whether you're dealing with a burst pipe, a damaged hose, or a leaky fitting, this versatile tape can help you get the job done quickly and effectively.

Thanks to its flexible and stretchy silicone material, this tape can conform to any surface and maintain its seal even under extreme conditions. With a tensile strength of 82 KPa, it's tough enough to withstand high pressure and temperature.

Overall, the Self-amalgamating Pipe Fixing Tape from zhonglei is a reliable and easy-to-use solution for anyone in need of a quick and effective pipe repair. Whether you're a DIY enthusiast or a professional plumber, this tape can save you time, money, and hassle in the long run.
