- Highlight: **Silicone Self Adhesive Sports Tape,
Athletic Flex Tape Waterproof,
Flexible Athletic Tape 10 Feet**

Product Description

Product Description:

The Self-Sealing Sport Tape is made of high-quality silicone material that is durable, flexible, and self-fusing. Unlike other tapes that require adhesive to stick, our Fusion Sport Silicone Tape fuses to itself upon contact, creating a strong and secure bond that won't slip or loosen even during intense workouts.

With a stretchability of 400%, our Stretchable Athletic Self-Fusing Tape conforms to the shape of your body, providing a comfortable and snug fit that doesn't restrict your movement. Whether you're running, jumping, or lifting weights, our Self-Sealing Sport Tape will move with you, providing the support and stability you need to perform at your best.

Our Self-Sealing Sport Tape is also UV-resistant, which means that it won't degrade or lose its effectiveness even when exposed to direct sunlight. The tape's thickness of 20 mil ensures that it can withstand wear and tear, making it ideal for use in rugged environments.

Whether you're a professional athlete or a weekend warrior, our Self-Sealing Sport Tape is the perfect tool to help you stay injury-free and perform at your best. Order yours today and experience the difference!

Waterproof	Yes
Non-Sticky	Yes
Temperature Resistance	Up To 500°F
Tear Resistant	Yes
Length	10 Feet
Thickness	20 Mil
Color	Red, Yellow, Grey, Black, Green, White

Applications:

One of the key features of this tape is its temperature resistance. With a maximum temperature resistance of up to 500°F, it can withstand high temperatures and is suitable for use in a wide range of environments. This makes it a great choice for athletes who need a reliable and durable tape that can withstand the heat of intense workouts and games.

Another important feature of this tape is that it is non-sticky. Unlike other types of athletic tape that can leave a sticky residue, this flexible self-bonding sports tape is designed to adhere to itself without leaving any sticky residue behind. This makes it easy to use and comfortable to wear, even for extended periods of time.

The zhonglei Rubberized Self-Adhesive Sports Tape is also tear-resistant, ensuring that it will hold up even under the most intense conditions. Its 1 inch width is perfect for providing support and protection to the areas that need it most, while its silicone material provides the flexibility and durability needed to keep up with even the most demanding athletes.

There are many occasions and scenarios where this tape can be used. For example, it can be used to support weak or injured joints during sports activities such as running, basketball, or football. It can also be used to protect against blisters and chafing, or to secure equipment and gear during training and competition.

Overall, the zhonglei Rubberized Self-Adhesive Sports Tape is a versatile and reliable product that is perfect for athletes of all levels. Whether you're a professional athlete or a weekend warrior, this tape is sure to meet your needs and exceed your expectations.

Customization:

Support and Services:

Packing and Shipping:

Product Packaging:

The Self Fusing Sports Silicone Tape comes in a compact and durable plastic case that keeps the tape clean and protected from damage. The case has a clear window that allows you to see the color of the tape inside and also includes an easy-to-use dispenser that allows you to cut the tape to the desired length without any mess or fuss.

Shipping:

We offer free standard shipping on the Self Fusing Sports Silicone Tape to customers in the continental United States. We also offer expedited shipping options for an additional fee. All orders are processed within 24 hours and shipped out within 1-2 business days. You will receive a tracking number via email once your order has shipped so you can track your package and know exactly when it will arrive.

FAQ:

Q: What is Self Fusing Sports Silicone Tape?

A: Self Fusing Sports Silicone Tape is a versatile and flexible tape made from high-quality silicone material with self-fusing properties. It is designed to provide a strong and lasting grip on various surfaces and materials, making it ideal for sports, outdoor activities, and DIY projects.

Q: What are the features of zhonglei Self Fusing Sports Silicone Tape?

A: Our Self Fusing Sports Silicone Tape is made in China and offers several features, including:

- High-quality silicone material
- Self-fusing properties for a lasting grip
- Waterproof and weather-resistant
- Flexible and versatile
- Easy to use and apply

Q: What are some of the applications of Self Fusing Sports Silicone Tape?

A: Self Fusing Sports Silicone Tape is perfect for a wide range of applications, including:

- Sports equipment repair
- Camping and outdoor gear repair
- Plumbing and automotive repair
- Home improvement and DIY projects
- Electrical insulation and protection

Q: How do I use zhonglei Self Fusing Sports Silicone Tape?

A: Using our Self Fusing Sports Silicone Tape is easy and straightforward. Simply clean and dry the surface you want to apply it to, then stretch and wrap the tape around the area, overlapping each layer slightly. Press the tape firmly to ensure a tight grip and activate the self-fusing properties. Trim any excess tape with scissors or a knife as needed.

Q: Is zhonglei Self Fusing Sports Silicone Tape reusable?

A: No, our Self Fusing Sports Silicone Tape is not reusable. Once it has been applied and activated, it forms a strong and lasting bond that cannot be undone. However, you can always apply additional layers of tape if needed.
